THE STATE OF NEW HAMPSHIRE

TOWN WARRANT

To the Inhabitants of the Town of Marlboro in the County of Cheshire in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Marlboro on Tuesday, the eighth day of March, next, polls to be open at nine of the clock in the forenoon, business meeting to be held at seven-thirty in the evening, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

- 1a. To elect Delegates at large, Alternate Delegates at large, Delegates and Alternate Delegates to the National Conventions of the various political parties to be held to nominate party candidates for President and Vice President of the United States.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same.

3. To see what sum of money the Town will raise for repairs and construction of sidewalks or act in any manner relating thereto.

4. To see if the Town will raise a sum of money for repairs, water storage, equipment, supplies and other expenses of the Fire Department.

5. To see what sum of money the Town will raise for Electric Lights.

6. To see if the Town will raise the sum of \$2,500.00 to aid the Community Nursing Association or act in any manner relating thereto.

7. To see what sum of money the Town will raise for Memorial Day.

8. To see what sum of money the Town will vote for the purchase of tar for highways or act in any manner thereto.

9. To see if the Town will vote to accept State Aid on Class V roads, raise and appropriate the sum of \$587.84, the State to give \$3,918.93.

10. To see if the Town will vote to raise and appropriate the sum of \$237 (1/100th of 1% of the valuation of the town) to the Monadnock Region Association of Southwestern New Hampshire for issuance and distribution of printed matter, newspaper and magazine advertising, and by other means calling attention to the resources and natural advantages of the town, in cooperation with the other thirty-seven towns of the Monadnock Region.

11. To see if the Town will vote to raise the sum of \$1,600 to help maintain the Frost Free Library or act in any manner relating thereto.

12. To see if the Town will raise and appropriate a sum of money to dredge the Robbins Brook from the residence of Alfred Beauregard, to a point near the Town Tool shed.

13. To see if the Town will raise and appropriate the sum of \$1,100.00 to purchase a highway mower for the use of the highway department or act in any manner in relation thereto.

14. To see what sum of money the Town will vote to raise and appropriate to support the program sponsored by the Recreation Commission.

15. To see if the Town will vote to raise and appropriate, for hydrant service, the sum of \$3,125.00, this being \$125.00 per hydrant.

16. To see if the Town will raise and appropriate

the sum of \$3,605.00, \$1,000 to be used to pay the water note at the Keene National Bank due December 15, 1960, the other \$2,605.00 to make up the deficit of the water works department for 1959 or act in any manner in relation thereto.

17. To hear the report of the swimming pool committee and to take any action relating thereto.

18. To see if the Town will vote to adopt the ordinances brought in by the committee that was appointed last year.

19. To see if the Town will raise and appropriate the sum of \$1,269.00 as its fair share of the operating costs of the Elliot Community Hospital.

20. To see if the town will vote a sum of money to provide police protection for the school children while crossing Main St., or act in any manner in relation thereto.

21. To see if the Town will raise and appropriate a sum of money for installation of Christmas lights and decorations, or act in any manner relating thereto.

22. To see if the Town will vote to raise and appropriate the sum of \$50 for Civil Defense.

22a. To see if the Town will vote to give the selectmen the authority to expend not to exceed \$500, if equipment is available for the use of the Town through Civil Defense.

23. To see if the Town will vote to adopt the provisions of the Municipal Budget Law and that the Moderator and Selectmen shall appoint the five members of the Budget Committee within 30 days.

24. To see if the Town will authorize the Selectmen to appoint a five member planning board and to make available to it the powers and duties of such a board.

25. To see if the Town will vote to raise and appro-

priate the sum of \$450 for grading and filling for additional lots in Pine Grove Cemetery.

26. To see if the Town will vote to adopt the provisions of Chapter 171-A of the Revised Laws relative to the playing of games of beano or act in any manner relating thereto.

27. To see if the Town will vote to accept the sums for perpetual care of Cemetery lots received since January 1, 1959.

28. To see if the Town will authorize the Selectmen to borrow on the credits of the Town in anticipation of taxes.

29. To see if the Town will authorize the Selectmen to administer or dispose of any Real Estate acquired by the Town through Collectors' deeds.

30. To hear reports of Town Agents or Committees of other officers heretofore chosen or appointed and pass any vote relating thereto.

31. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this eleventh day of February, in the year of our Lord nineteen hundred and sixty.

CHARLES T. RICHARDSON,
WALTER E. BUCKMINSTER,
ALFRED S. DESPRES,

Selectmen of Marlboro.

A true copy of Warrant—Attest:

CHARLES T. RICHARDSON,
WALTER E. BUCKMINSTER,
ALFRED S. DESPRES,

Selectmen of Marlboro.

AUDITOR'S REPORT

This is to certify that I have examined the accounts of the Trustees of Trust Funds of the Town of Marlboro and find them correct and properly vouched to the best of my knowledge and belief.

RACHEL OHMAN, Auditor.

1959 NOTES

- a. \$2100.00 RAY E. TARBOX MEMORIAL TRUST FUND: Created in 1959 by several representatives of the liquor industry; the annual interest to be paid to the School Board which, in its best judgement, shall pay said income to one or more pupils in the Senior Class in the Marlboro High School for the purpose of continuing his or her education in colleges or in advanced schools of learning such as business schools, mechanical schools or training schools of any sort; in selecting such pupil or pupils, the all around character and ability of the pupil shall be the standard; the highest educational marks shall not be the sole standard but all features shall be considered such as athletic ability; ability to get along with his or her classmates, and his or her popularity with them and his or her teachers; the income is to be spent each year and not allowed to accumulate; additional gifts to this Fund may be given by anyone so desiring but subject to all the conditions; outlined above.
- b. The \$2033.48 principal addition in the Monadnock Savings Bank is made up of the following:
 \$1000.00 ALBERT P. FROST LIBRARY FUND: This Fund was originally received by the Trustees of the Frost Free Library on Sept. 5, 1898 from the Estate of Albert P. Frost. The Frost Free library (Ruth E. Hemenway, Trustee) turned this Fund over to the Town Trustees for investment in 1959.
 \$933.48 LILLIAN RUSSELL ATHERTON LIBRARY FUND: This Fund was originally received by the Trustees of the Frost Free Library as \$500.00 on 11/6/48; investments appreciated the principal to \$933.48 and this amount was turned over to the Trustees of Trust Funds, Town of Marlboro, N. H. in 1959 for investment by them.
 \$100.00 LIVINGSTON LIBRARY FUND: This Fund was originally accepted by the Trustees of the Frost Free Library on 10/24/58; the annual income to be used to purchase a book each year. The principal was turned over to the Trustees of Trust Funds, Town of Marlboro, N. H. in 1959 for investment by them.
-
- \$2033.48
- c. The \$100.00 principal addition in the Savings Bank of Walpole is explained as follows:
 \$200.00 GEORGE H. SMITH CEMETERY FUND: This Fund was originally created in the amount of \$100.00. On 2/3/59, \$100.00 was added by Margaret L. Miller Estate (his daughter), Clarence H. Miller, Administrator of South Acworth, N. H., the income to be used only for the perpetual care of this lot in Graniteville Cemetery.
- f. The interest earned on the \$50,000 U. S. Govt. (G) 2 1/2s 62 amounted to \$1250.00; after deducting the bond cost of \$90.00, the net amount earned was \$1160.00. Similarly bond cost reduced the net income of the following two Funds invested in these bonds:
 \$25,000.00 MARIA I. KIMBALL EDUCATION FUND earned a gross of \$625.00; deducting \$45.00 bond cost, the net income amounted to \$580.00.
 \$25,000.00 JOHN H. KIMBALL EDUCATION FUND earned a gross of \$625.00; deducting \$45.00 bond cost, the net income amounted to \$580.00.
- d. During the year American Telephone & Telegraph Co. stock split 3 for 1, increasing our shares owned from 10 to 30 shares. There was also an extra dividend paid.
- e. During the year Pemichuck Water Works stock split 7 for 1, increasing our shares owned from 3 to 21 shares.
- g. \$287.63 was paid from the available income in the Charles C. Ward Town Fund to pay for the 1959 Christmas lighting and decorations.

Respectfully submitted,

TRUSTEES OF TRUST FUNDS,
 TOWN OF MARLBORO, N. H.
 CHARLES B. KNIGHT,
 ROLAND A. WHITNEY,

MEMORIAL DAY

Received of Town of Marlboro by appropriation	\$325 00
Expended for Memorial Day, May 30, 1959	\$325 00

HENRY WHEELER,
Finance Officer,
Croteau-Coutts Post No. 24, American Legion.

REPORT OF MARLBORO FIRE DEPARTMENT

The Marlboro Fire Department answered seven still alarms and four general alarms.

We purchased a Dodge Power Wagon and a K.W.3. portable generator through Civil Defense.

Four hundred feet of two and one half inch and two hundred feet of inch and a half hose was bought.

Phone number TR 6-4421 is to be used for fires and "call for resuscitator" only.

When making a call be sure to give name and address of the location of the fire or the place for use of the resuscitator.

The Marlboro Fire Department wishes to thank you for your fine cooperation.

The Marlboro Firewards,
LEROY P. DERBY,
LLOYD O. FRECHETTE,

REPORT OF RECREATION COMMISSION

The summer recreation program was again supervised very capably by Mr. Charles Hamel, assisted by Audrey Harris. The program ran for six weeks with a good attendance and the committee considers the money well spent.

The baseball field was cleaned and cleared of rubbish during the spring, and the work of keeping the field mowed, which is a man-sized task, was very capably taken care of by Robbie Gordon. The mower required service several times during the summer and will be replaced.

The black top area was sealed by the road agent and it was money well spent. Two basketball standards have been ordered and will be installed in the spring. In the very near future the area will be equipped for tennis, volleyball, badminton and other games requiring a hard surface.

The committee still has hopes, when the money is available, to have the complete summer playground program at the ball field. One more installation is necessary to meet State requirements, toilet facilities.

The program again helped with the Red Cross swimming instruction which was held at Sun Set beach, Harrisville.

The field is used during the summer months by the Little League teams of the Town. The leaders of these groups are doing a fine job of developing the baseball talents of our youngsters, and we hope that the Townspeople will help them by supporting their program.

Our field is in use the year round, the High School uses it during the spring for baseball and in the fall it's soccer, the little league through the summer, and the black top is flooded for skating in the winter.

The Halloween parade and entertainment was again well attended and very successful. More youngsters were in costume, marching in the parade and riding the fire trucks than ever before. The junior high and senior high classes of the school again competed for prizes with their well prepared floats. The floats are better each year and certainly show that a great deal of work and imagination go into the work. The movies were held at the Town Hall this year, followed by cider and donuts for the younger set. A record hop was held at the school gym for the junior and senior high students after the program at the Town Hall.

During the good coasting weather, our committee was authorized to close the lower part of Depot street to traffic during specified hours, providing a safe place for the youngsters to slide.

The members of the Recreation Committee, through this report, expresses its thanks and appreciation to the Student Council of the school for its help with the Halloween activities, the Firewards for the use of the fire trucks at the parade and in flooding the skating rink, the firemen for their help with the youngsters during the parade and by flooding the skating rink, the organizations and the townspeople that have in many ways helped us make the program a success.

Respectfully submitted,

LUDGER J. BEAUREGARD,
OMER M. DUMONT,
IRVIN H. GORDON,
AUDREY T. HARRIS,

The Recreation Commission.

SUMMER RECREATION PROGRAM

The 1959 season of the Marlboro Recreation Program at the elementary school playground was another success-

ful venture. The program was headed by Mr. Charles Hamel Jr. and assisted by Mrs. Audrey Harris.

The participants on the program ranged in ages from pre-schoolers to junior-high students.

The program included group games such as: Capture the Flag, Drop the Handkerchief, and Farmer in the Dell. Individual sports such as ping pong, volley ball, checkers, horse shoes, and baseball were also played. Tuesday and Thursday mornings those interested in baseball were taken to the ball field for games. This proved to be a very popular event.

Swimming, which is always high among the interests of the children in the summer, was provided once a week with a trip to Sunset Beach in Harrisville.

The Closing Day Program was held at the ball field with winners receiving prizes, and all the participants receiving small tokens.

I would like to thank the Recreation Committee for all the cooperation that I received the last two years working with them.

CHARLES HAMEL, JR.

This report is submitted by Irvin H. Gordon in absence of James Page who served as treasurer.

REPORT OF THE SWIMMING POOL COMMITTEE

The town property below the ball field was selected as the logical and most desirable location for a pool with Trestle Brook as the water source.

The Soil Conservation Department tested the soil and said the slope of land suggested a by pass type of dam and pool because of the desirable sandy soil. The Water Resources Board made the same recommendation. The State Planning and Development Board gave figures on State Park Developments which show that one out of every three persons in pool attendance would be in the water at one time. It was estimated that in Marlboro there might be one hundred fifty persons at the pool, as a maximum, which could mean fifty persons in the pool at one time.

The State Board of Health tested the water and found it pure and desirable for a swimming pool, but they require two gallons a minute per bather flowing through the pool, which, for Marlboro figures, means one hundred gallons a minute. The Board recommended that a weir be set up to measure the flow of water. This was done through a six weeks period in August and September and the water measured every day. This particular period was rainy but the weir measured only one half to two inches a day which would be inadequate to supply the amount specified by the Board of Health. A measure of three inches would be required for the one hundred gallons a minute.

Figures were secured for a possible supplementary gravel park as well but that was opposed on the possibility it might draw from the town water supply. An artesian well supplement was discussed but the cost was an unpredictable figure. The Soil Conservation Department explored the feasibility of a supplementary dam built on a plateau above the pool site. All conditions in this location are ideal for construction with the cost estimated at \$10,000 to meet the requirements of the state.

Three contractors were contacted for estimates for a commercial type pool. The figures included pool construction with the necessary filters and chlorination system, diving board, and ladders, bath houses and fencing. Each of the contractors estimates were slightly under \$10,000.

REPORT OF POLICE DEPARTMENT

For the Year of 1959

The yearly report of the Police Dept. released by the Chief of Police is as follows:

We had 29 accidents, one fatality on No. 12. Eight were hospitalized in other accidents. Property damage from these accidents was \$7,905. One D. W. I., checked on cars making unnecessary noises on Main Street. Stopped many cars with one headlight and no rear lights. One stolen car which was damaged, this is still being investigated by the police and the sheriff. Served one warrant. Investigated many complaints of various nature, such as intoxicated people, juvenile pranks, boys who had been shooting 22 and air rifles too near the town. Found homes for 4 stray dogs. Had 3 cars towed off the main street.

Police equipment bought: 1 100-ft. tape and two .38 Smith and Wesson.

I was very sorry to receive the resignation of Ernest Beauregard, who had been a very good officer for 11 years.

I wish to thank everyone that has been helpful to us during the year.

Respectfully submitted,
ERNEST THOIN,
Chief of Police.

ANNUAL REPORT OF THE FROST FREE LIBRARY

To the president and trustees of the Frost Free Library the librarian submits the following report for the year October 1, 1958 to October 1, 1959.

The library was open 153 regular days and 27 days for story time. The total attendance for story time was 497.

Circulation of books, pamphlets and magazines:

Adult Fiction	2133
Adult Non-fiction	542
Magazines and pamphlets	1834
Juvenile Fiction	3085
Juvenile Non-fiction	274

Total circulation	7868
-------------------	------

We have borrowed over a hundred non-fiction books from the state library which were either requested by our patrons or used for special exhibits. These books, however were not included in the total circulation.

Books borrowed from the Bookmobile

Adult Fiction	130
Adult Non-fiction	42
Juvenile Books	256

Total	428
-------	-----

There were 106 new books purchased this year. We wish to thank those patrons who have so generously given books to our library through the year.

The past year has been fruitful as well as eventful for our library. Circulation figures show an increase of 1400 over last year. Requests from our patrons which have been referred to the State Library have doubled. The librarian has been asked to speak to local organizations and the school has asked for our cooperation by loaning

them small collections of books recommended in the newly adopted Joplin reading program. The reference work has increased by fifty per cent.

In review of the many contributions given our library through the year, as librarian I wish to extend a word of thanks to the following:

Mr. and Mrs. Rufus Frost for their most generous gifts; desk lamp and the World Book Encyclopedia.

Mrs. Ruth Knight, who has so generously given her time and experience to conduct story time through the year.

Mr. Cecil Nash and his shop class for taking their time to make a book case for our library.

Mr. Oscar Croteau, who served as local chairman to promote National Library Week and a word of thanks to a most cooperative committee: Mr. Allen Williams, Mr. Gerhard Blombach, Miss Eleanor Labrie, Miss Carolyn Gordon, Mrs. Jean Williams, Mrs. Audrey Harris, Mrs. Alice Knight, Mrs. Betty Purchase, Miss Julie Barrett, Teddy Frazer, Mrs. Mabelle Page and Ruth Hemenway.

We are most grateful to Mr. Allen Williams and his Scouts for painting the iron rail fence and keeping the back lot mowed this summer.

A special word of thanks to Mr. William Coutts, Mrs. George Whitehead and Mr. Gerhard Blombach who exhibited their hobbies during National Library Week.

We appreciate the cooperation the school faculty gave us in helping us to promote N.L.W. The posters drawn by the children for the contest will be kept on file at the State Library. Winners: were: Rita Lane, grade three, Beverly Coutts, grade four, Maricka Schmutzler, grade five and Lawrence Upton, grade six. A dictionary was awarded to the contest winners compliments of the Frost Free Library. Our thanks to all who participated.

Mrs. Ona Lanes' willingness to be of assistance at my home as well as at the library has made it possible for me to meet the necessary obligations. I am most grateful for her devotion.

Awards made to the library from the State:

1. The grand prize for the most outstanding program held during National Library Week. Prize-1959 edition of the Encyclopedia Americana, which was donated by the publishers.

2. A Shieling Trust Scholarship of \$75 to attend the three week course in Public Library Techniques, given at the University of New Hampshire.

3. Shieling Trust Book Grant of \$1,000 to be shared with Troy, Swanzey Center and Sullivan. Rules to govern the group were made by the donor and the State Library. Rules are as follows:

a. All citizens of all towns participating in the project will be allowed equal access to all reference books and equal borrowing privileges for all circulating books purchased with the grant.

b. Every library will agree to loan to every other participating library the books purchased with the grant.

c. Books purchased will be of the type that the individual library would otherwise be unable to purchase. There will be purchased only one copy of a title, and in general no duplicates of a title already owned by one of the member libraries.

d. The libraries agree to meet regularly with a State Library staff member in order to select the books to be purchased and for a discussion of common problems.

e. Each library agrees to keep a catalog of all books purchased with the grant, with a notation of their location.

f. The libraries agree to do the routine tasks involved in ordering the books.

g. The libraries agree to publicize the project.

h. Within the first year, if a title is damaged or lost, the title will be presented to the group for re-purchasing. After the end of the first year, individual libraries will be responsible for damage or loss, except in case of flood or fire.

What has happened to us as a result of National Li-

brary Week? Mrs. Betty Purchase has drawn the picture which hangs in our library. Mr. Oscar Croteau set word to rhyme which to my way of thinking very beautifully tells the story.

The other day I came withal
 Upon a bridge so fair,
 Its' lofty structure extended far
 Suspended in the air.
 At first I stopped in anxious dread
 I dared not travel on.
 From where I stood it seemed to me
 it started, then was gone.
 And as I looked in wonderment
 A crowd was gathering there.
 Some stopped, and others started
 as if they didn't care.
 Over on a girder in print for me to read
 were inscribed in gold letters
 a message we must heed.
 "I am the Bridge of Knowledge",
 I invite you all to cross.
 Please friends do not tarry
 precious time must not be lost
 So, let's walk this bridge together.
 as on through life we go.
 With knowledge as our brother
 we must surely reach our goal.

Respectfully submitted,

CORINNE NASH, Librarian

MARLBORO COMMUNITY NURSING ASSOCIATION

ANNUAL REPORT MARLBORO TOWN AND SCHOOL NURSE

To whom it may concern:

A total was made of 1473 calls this year

Of these

352 were \$1.00 calls

18 were partial pay calls

997 were 50c calls

106 were free calls

\$713.00 was collected leaving \$179 uncollected to date.

Two families were given clothing and children's shoes.

At school 272 physicals were completed with Dr. McIntire, the school physician. Defects found were as follows:

Excess of wax in ears—3—2 corrected

Mouth breathing—1

Pyorrhea—1—under treatment

Cervical glands—1

Heart murmur—7—2 under observation

Eczema—2—under treatment.

High blood pressure—1

Enlarged tonsils—4

Caries in teeth—25—7 corrected

Hearing test have been conducted on 67 pupils with 7 to be retested later on.

There has been the usual number of minor accidents and first aid administered.

Several cases of chicken pox have been reported.

The usual eye and ear examinations will be late this year. There is but one set of testing machines to serve the whole union; this work will be finished as soon as we have

a machine available, and notices will be sent, as usual, for any defects found.

Respectfully submitted,

PHILIP M. CLARK,

Treasurer

Marlboro, N.H. January 14, 1960.

THE STATE OF NEW HAMPSHIRE

SCHOOL WARRANT

To the inhabitants of the school district in the town of Marlboro qualified to vote in district affairs:

You are hereby notified to meet at the High School in said district on the 2nd day of March, 1960 at 3 p.m. in the afternoon to bring in your votes for the election of the following officials:

1. A moderator for the coming year.

A clerk for the ensuing year.

A member of the school board for the ensuing three years.

A treasurer for the ensuing year.

One auditor for the ensuing year.

You are hereby further notified to meet at the High School in said district on March 2, 1960 at 8 p.m. to act upon the following subjects: (polls will open not later than 3 p.m. nor close earlier than 9 p.m.)

2. To determine and appoint the salaries of school board members and the truant officer, and to fix the compensation of any other officer or agents of the district.

3. To hear the reports of agents, auditors, committees or officers chosen, and to pass any vote relating thereto.

4. To choose agents, auditors and committees in relation to any subject embraced in this warrant.

5. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the salaries of school district officers, auditors and agents, for the payment of statutory obligations of the district, and to authorize the application against said appropriation of any sums as are estimated to be received from the state equalization fund, together with other income, the school board to certify to the selectmen the balance between

the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

6. To see if the district will vote to raise and appropriate the sum of one thousand dollars (\$1,000) to be used for instructional aids and teacher service for an enrichment program in math, science, languages, etc. for capable pupils.

7. To see if the district will raise and appropriate the sum of one thousand and one hundred dollars (\$1,100) to be used as matching funds for Federal aid for math and science under provision of the National Education Defense Act; and to approve the acceptance of Federal Aid Funds.

8. To see if the district will raise and appropriate the sum of two hundred dollars (\$200) as the district's share of support for educational television station WENH.

9. To see if the district will raise and appropriate the sum of one thousand dollars (\$1,000) to be used for resurfacing the parking lot at the high school.

10. To see if the district will vote to raise and appropriate the sum of four thousand dollars (\$4,000) to hire an additional teacher to ease the heavy enrollment in grades 2 and 3.

11. To see if the district will vote to raise and appropriate the sum of fifteen hundred dollars (\$1,500) for the purpose of engaging the services of the firm of educational consultants, Engelhardt, Engelhardt, Leggett and Cornell to make a complete study of the Marlboro School System.

12. To transact any other business which may legally come before this meeting.

SUPERINTENDENT'S REPORT TO MARLBORO SCHOOL DISTRICT

It is a pleasure to submit to the citizens of Marlboro my first report as Superintendent of Schools.

I have visited classrooms and talked with all teachers in our school system. During this process I found good instruction taking place, enabling our boys and girls to obtain the fundamental processes of learning.

The curriculum in the High School is comprehensive in scope, meeting the need for individual differences among students.

I am pleased to see the Joplin reading program installed in our elementary grades, no doubt this program will eventually strengthen our complete reading ability among all students.

I am concerned with the large number of students in our lower elementary grades. If this enrollment growth continues to climb, expansion of some type will be necessary in the near future to adequately house all students without seriously overcrowding.

May I express my appreciation to the School Board members, teachers and citizens for the splendid cooperation afforded me.

PAUL L. CLARK,
Superintendent of Schools.

REPORT OF PRINCIPAL OF MARLBORO SCHOOLS

To Paul Clark Superintendent of Schools
Marlboro, New Hampshire

I am submitting by annual report to you with the expectation that you will publish it. In it I have tried to include information pertinent to the operation of our program. I believe that much of the included information will be of interest to the townspeople. In general the discussion covers the period from February 1, 1959 to the present time.

Enrollment of Pupils

I am including a table showing the enrollment by grades. While there is no great change in total enrollment, there is indication that our upper grades are going to be larger in the next few years.

September 1959				September 1958			
	Boys	Girls	Total	Boys	Girls	Total	Change
Grade 12	11	13	24	12	4	16	+8
" 11	12	10	22	11	14	25	—2
" 10	18	20	38	14	12	26	+12
" 9	22	8	30	21	16	37	—7
<hr/>				<hr/>			
H. S. Totals	63	51	114	58	46	104	+10
Grade 8	13	16	29	19	9	28	+1
" 7	22	17	39	13	14	27	+12
<hr/>				<hr/>			
J. H. Totals	35	33	68	32	23	55	+13
Grade 6	19	14	33	22	17	39	—6
" 5	16	13	29	17	14	31	—2
" 4	18	15	33	16	12	28	+5
" 3	18	10	28	18	15	33	—5
" 2	17	20	37	20	10	30	+7

Grade 1	19	20	39	15	25	40	—1
Elem. totals	107	92	199	108	93	201	—2
Grand tls.	205	176	381	198	162	360	+21

The usual minor changes have occurred since September. These are caused by pupils moving and in a few instances a pupil leaves school.

STAFF

The following changes were made in our teaching staff. Mrs. Marie Forcier became a full time teacher with pupils from grades 1 and 2, thereby relieving overcrowding in both areas. Mrs. Charlotte Gemmell replaced Mrs. Loretta Burnham as teacher of grade four, Mrs. Marcia Leslie was obtained to fill the position caused by the resignation of John Couture in Grade 5. George Hamilton replaced Charles Hamel as teacher of physical education and athletic coach and Nelson Megna was hired as an additional teacher in grades 7-12. Miss Mary Smith is teaching English under the exchange program which enabled Miss Labrie to spend a year in England. The work in all areas is being capably handled and the staff members are enthusiastic.

We are fortunate to have retained so many of our capable experienced staff members. Our custodial staff and our lunchroom personnel remain unchanged and are maintaining their standards.

QUALITY OF EDUCATION OFFERED

As stated in my last several reports we are being forced to improve our offerings constantly by new standards and by more stringent demands by institutions of higher learning. High school education everywhere calls for more work done better than ever before. This has significant implication for staff and pupils alike. Our program has seen some new offerings added and we have grouped our pupils in more areas according to ability and interest.

Our school was approved as a Comprehensive High School by the State Department of Education. This means

that our program has enough diversification of offerings to meet the standards as set. As a matter of fact we exceed the minimum standards in several respects. This is a good situation because every indication points to a raising of those standards in the very near future.

QUALITY OF WORK DONE

In general our pupils perform well. However, there are probably many who are not working to full capacity. This is due to a number of factors, chief among which are failure to do assigned work on time and work carelessly done. One disturbing thing is that some parents are quick to blame the teachers for pupil failure when the problems causing the failures are due to poor study habits or failure of the parent to insist upon the pupils doing their work.

Some of our pupils have won recognition on county and state levels during the past year.

ATTENDANCE

Pupil performance in many instances is definitely related to attendance. Several of our pupils who should be doing better work are handicapped by absence. Whether the absence is due to illness or is of the unnecessary type its effect is always apparent in pupil accomplishment. Most of our absences are caused by the same few pupils. It is not our wish to have ill pupils attending school but it seems that the amount could be materially reduced.

PLANT, FACILITIES AND EQUIPMENT

Our buildings are in good condition and reflect credit upon the citizens who support requests for the funds to keep them that way. The elementary building is old and does not have the same floor plans, etc. as buildings of recent construction but the classrooms are in good condition and provide satisfactory teaching areas. The new building is offering many opportunities for groups to do projects outside the actual classroom. This is the type of activity that modern educational philosophy demands and we are fortunate to have this modern plant for use of our young people. It is used extensively for recreational

activity outside of school hours and staff members give generously of their time to supervise the events.

Our buildings are reasonably well equipped and we have a supply of teaching aids which aid in instruction. Considerable new material has been acquired under provisions of the National Education Defense Act and we should definitely raise money this year to match more funds still available from the N.E.D.A.

ALUMNI

Our graduates at advanced training schools have performed in a way to reflect credit on our staff. Last year out of sixteen students taking advanced study, nine of them were on Deans' lists.

Several of these students received scholarship aid from the institutions they attend and also had financial assistance from local funds made available from the Charles Pease estate and the Kate K. Davis estate. Another fund was established during the past year in memory of Ray E. Tarbox. This increases the amount of money available to one or more students to continue their education.

The Marlboro Alumni Association is currently building a fund with the idea of setting up a scholarship when the amount of the fund will produce sufficient income.

ENRICHMENT PROGRAM

Under provisions of a special article passed at last year's district meeting we have joined with Troy in offering an enrichment program this year. During the first semester there were twenty-three pupils in two courses and it appears that about the same number will participate in two other courses during the second semester. This work is given at Keene Teachers College by college instructors and gives the students an advance look at college standards. I hope this program may be supported again. It appears like part of the answer to the problem of getting pupils ready for post-secondary education.

GRADES 1-6

Our first and second grades each have about forty pupils and this year part of each grade has been made into a combination grade which is being taught by Mrs. Forcier. This is a definite improvement over the conditions which would exist if teachers were trying to teach forty pupils.

Last spring members of Grade 6 attended a week of outdoor education held at Camp Union. Plans are progressing for the present sixth grade to attend during the latter part of May.

When school began in September, we started operation of the Joplin plan in reading. The pupils in grades four, five and six were put into six groups based on reading ability and have been receiving instruction in these groups. Under this program all pupils in a group read at about the same level. This eliminates the pupils who never get challenged and those for whom the work is too difficult as the instruction is paced to the level of reading ability. Results of one semester's work have been pleasing.

OUTLOOK

With the larger groups coming into the six upper grades, further grouping is desirable if we are going to do justice to pupils' needs. In order to handle these groups and meet the standards we will need an additional teacher in September.

The content of our courses must be enriched to keep pace with the demands which will be made on our graduates. The work in certain areas such as Mathematics will have to be moved down to some extent allowing for more content to be inserted in the final two years. All of this calls for an acceptance on the part of pupils and parents and a willingness to put forth the extra effort in order to become better prepared. We can provide the organization of program and the staff but the pupils must make the effort.

CONCLUSION

In my last report I referred to the fact that we are

being swept along in a constant upgrading of educational standards. To meet this calls for added effort at all levels, including making funds available. Any educational program today which is standing still and maintaining its level of past accomplishments is moving backward! Whether any change in the plan of education for Marlboro and some of the nearby communities occurs or not I feel that meanwhile we need to keep in stride and do justice to our young people. I believe our public will answer reasonable requests for support as long as our youth continue to show that the money is being soundly invested.

Respectfully submitted,

IRVIN H. GORDON,

January 30, 1960.

Principal.

MINUTES OF THE ANNUAL SCHOOL DISTRICT MEETING OF MARLBORO

March 3, 1959

Meeting called to order at 3:00 P.M., March 3, 1959 by Moderator Ralph A. Pierce and warrant read. The election officials were qualified. The moderator declared the meeting open under Article 1 calling for the election of a moderator, a clerk, a member of the school board for three years, a treasurer, and an auditor under the Non-partisan Ballot System. The first official ballot was cast by Mr. Geoffrey Frechette.

The meeting was further called to order at 8:00 P.M., March 3, 1959 by the moderator to act upon the following subjects:

Article 2. Voted favorably on the motion of Alfred W. Thomas that we accept the salaries as printed in the budget.

Article 3. Voted favorably on the motion of Alice R. Hildreth that we accept the reports as printed in the annual town report.

Article 4. Voted favorably on the motion of Alfred W. Thomas that we pass over this article.

Article 5. A motion introduced by Hector Dionne that we vote on the proposed budget item by item was lost on a voice vote.

It was then voted favorably on the motion of Alice R. Hildreth that the school district raise and appropriate \$137,314.00 and to authorize and direct the school board to apply against said appropriation such income as is estimated by the school board exclusive of state aid, and upon the determination of the amount of state aid to be received by the school district during the next fiscal year, to authorize and direct the school board to apply against such appropriation the sum to be received from state aid

and with the school district clerk certify to the selectmen the balance as an assessment to be raised by the town for school purposes.

Article 6. A motion was introduced by Alice R. Hildreth that the district raise and appropriate the sum of one thousand dollars to be used for instructional aids and teacher services for an enriched program in mathematics, science, languages, etc. for capable pupils. This program to be operated in cooperation with the Troy School District. A voice vote on the motion was inconclusive and the motion was passed and the article adopted on a standing vote recorded as 33 in favor and 11 against.

Article 7. Voted favorably on the motion of Alden J. Beauregard that the district raise and appropriate the sum of seven hundred dollars to be used as matching funds for Federal grants available for mathematics and science under provisions of the National Defense Education Act; and to authorize the school board to accept and use any Federal funds available for support of schools or for aid to the building program.

Article 8. Voted favorably on motion of Alice R. Hildreth that the district raise and appropriate the sum of two hundred dollars as the district's share of support for educational television station WENH.

During the discussion of the above article, the time for the closing of the polls under article 1 having arrived, the moderator declared the polls closed at 9:00 P.M.

Article 9. Voted favorably on the motion of Hector Dionne that we pass over this article.

Voted favorably on the motion of Charles B. Knight that the meeting be adjourned to discussion and returned to Article 1.

The polls being already closed, the ballots were examined and the votes for the various candidates were counted by the moderator, in the presence of and with the assistance of the school clerk and the other election offi-

cers. When the counting was completed the results of the count was declared and publicly announced by the moderator as follows:

Total number of votes cast	224
For Moderator	
Ralph A. Pierce received	217 Elected
Frank Knight received	1
Carl Johnson received	1
For District Clerk	
Oliver F. Derby received	217 Elected
For School Board Member	
Sherman A. Lovering received	49
Alfred W. Thomas received	175 Elected
For District Treasurer	
Oliver F. Derby received	216 Elected
For Auditor	
Rachel Ohman received	218 Elected

All officials elected and present were qualified.

The meeting was declared adjourned by the moderator at 9:45 P.M.

Attest:

OLIVER F. DERBY,
District Clerk.

PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note

58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10%, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple—

1. Before burning, secure a permit from your local forest fire warden—the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles—use your ash tray.
5. Don't burn at home—Use your town dump and save yourself much possible difficulty, both personal and financial.

Number of local fires 2

Number of acres burned $\frac{3}{4}$

Number of permits issued 156

CORNELIUS WOOD, District Fire Chief.
